LEMONS IN HOT WEATHER.

We know in a dull sort of way that lemons are useful, and if we didn't we might easily find this out by looking over the papers, says the Louisville Courier-Journal. But just how valuable they really are few of us realize. They are of very great medicinal value, and are better than patent medicines and nostrums put up in bottles and boxes for the benefit (?) of the human family.
A teaspoonful of lemon juice in a small cup of black coffee will drive away an attack of bilious headache, but it is better to use them freely and to avoid the attack of headache. A slice of lemon rubbed on the temples and back of the neck is also good for headache. These facts help in beautifying one, for who can be beautiful and ailing at the same time? The days are past when the delicate woman with "nerves" was the heroine of all the novels, and the tingling vine supported to be admired by all the men. Lemons taken externally, or rather used, will aid in beautifying anyone. There is nothing more valuable for the toilet table than a solution of lemon juice: a little rubbed on the hands, face and neck at night will not only whiten, but soften the skin. A paste made of lemon juice and lemon juice applied to the face and hands upon lying down for 15 minutes' rest will bleach the skin beautifully.
For discolored or stained finger nails a teaspoonful of lemon juice in a cup of warm soft water is invaluable; this is one of the very best manicure acids. It will loosen the cuticle from the finger nails as well as remove discolorations. Lemon juice is water is an excellent tooth wash. This is about the only thing that will remove tartar. It will also sweeten the breath.

CERVERA'S GRATITUDE.—Admiral Cervera has sent this letter to Capt. Goodrich of the St. Louis:
"My Dear Sir: I have the greatest pleasure in acknowledging by these presents, in my own name and also in that of all captains and officers actually on board this ship, that we consider ourselves under the greatest obligations to you for the many kindnesses and excellent treatment which you and all the officers under your command have shown to us during this passage. I must also mention the careful and most valuable medical assistance which has been given to our wounded and sick. Your kind feelings went as far in this respect as to order them to be put in one of the saloons of the ship in order to provide more effectively for their comfort. I know nothing which does not agree with what I have just written, the case of D'Enrique Capriles being wholly unknown to me since neither you nor he has spoken to me about it. I thank you again for the delicate and manifold acts of kindness by which you have endeavored to alleviate the sore burden of our great misfortune. I assure you that I shall never forget them, and I am, sir,
"Your most obedient servant,
"PASCUAL CERVERA,
"Rear Admiral
"At Sea, July 9, 1898."

A Narrow Escape.

Thankful words written by Mrs. Ada E. Hart, of Groton, S. D., "Was taken with a bad cold which settled on my lungs, cough set in and finally terminated in Consumption. Four doctors gave me up saying I could live but a short time. I gave myself up to my Saviour, determined if I could not stay with my friends on earth, I would meet my absent ones above. My husband was advised to get Dr. King's New Discovery for Consumption, Coughs and Colds. I gave it a trial took in all eight bottles. It has cured me, and thank God I am saved and now a well and healthy woman." Trial bottles free at E. S. Leadbeater & Sons' Drug Store. Regular size 50 cents and \$1.00 guaranteed or price refunded.

Sick headache, biliousness, constipation and all liver and stomach troubles can be quickly cured by using those famous little pills known as DeWitt's Little Early Risers. They are pleasant to take and never grip.

LADIES' Lisle Thread Hose.

—:—

Coolness in summer is always a welcome consideration. The thinness of these Hoses is about like handling tissue paper. They are so thin, strong and beautiful that they instantly charm the investigator into making a purchase. On Friday, July 8, we shall open our second shipment 12x8 8 to 9 1/2.

PRICE 25 CENTS.

Men's Atwood Suspenders.

There is only one objection to the Atwood Suspenders—they wear too long. A scientific made suspender superseding all other makes for durability, neatness and economy. This is the only made suspender that sells itself without a word from a salesman. Worn by two-thirds of the men in our city.

PRICES 25 AND 50 CENTS.

Ladies' Thread Vests.

About 14 dozen Ladies' Lisle Thread Ribbed Vests left from a case of 50 dozen. Price 12 1/2c. The quality of this lot of Vests closely resembles those sold for 37 1/2c. in some retail stores. We must urge the importance of an early visit.

Four-Hook Corsets.

Nothing can check the sale in the American Lady 4-Hook Corset. The material is very light in weight with trimmings to correspond with the handsome shape. Increased sales makes the American Lady Corset popular with all ladies seeking comfort and modern dress. Sizes 18 to 30.

Children's Plaid Hosiery.
